

# GROWTH CHART

## MATERIALS

- Regular copy paper
- Scissors
- Adhesive tape
- Tape measure
- Pencil

## SAFETY REMINDER

Only a grown-up should do the cutting.

## DIRECTIONS

1. Print all the pages of the growth chart and cut out each page.
2. Tape the pages of the growth chart together so that Page 2 is at the bottom, Page 3 is above Page 2, Page 4 is above Page 3, and so forth.
3. Using a tape measure, mark a spot on a flat wall two feet high from the floor.
4. Tape the growth chart to the wall so that the bottom edge of Page 2 is lined up with the two-foot mark.
