## MUSEUM GUIDE

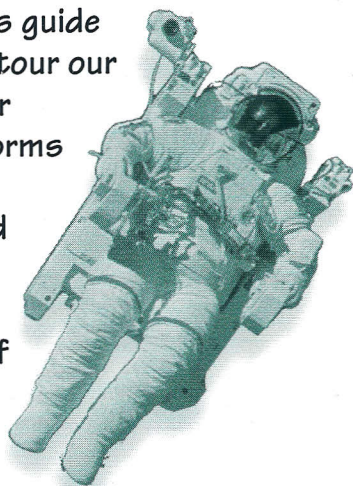

Official NASA Visitor Center of Marshall Space Flight Center

# Welcome to the U.S. Space & Rocket Center

The U.S. Space & Rocket Center features more than 1,500 artifacts representing our nation's achievements in space exploration.

We've prepared this guide to assist you as you tour our facility. Museum floor guides in orange uniforms are also available to answer questions and provide information.

Be sure to visit one of our gift shops where you'll find a variety of space-themed merchandise. From clothing, including official U.S. SPACE CAMP clothing, to collectibles, toys and space food, you'll find the perfect souvenir in The Space Shop **1** and the Space Gear Shop **18**.

The Galaxy Book Source **2** carries a wide selection of books, videos, CDs, calendars and post cards.

You can also enjoy a meal or your favorite snack in the Galaxy Food Court **20** overlooking Rocket Park.

- ★ **Blast-Off Bakery** —  
Pastries, bagels, cookies, gourmet coffee, Edy's soft-serve ice cream and yogurt, and assorted beverages
- ★ **The Rocket City Grill** —  
Flame-broiled burgers, grilled chicken, chicken fingers, crispy fries, pizza, hot dogs, assorted snacks and beverages
- ★ **The Sub-Station** —  
Made-to-order fresh deli sandwiches, salads and beverages

*Please remember...*

Our guests are welcome to photograph or videotape all exhibits; however, photography and/or videotaping is not allowed in the Spacedome Theatre.

The safety of our guests is our utmost concern. For that reason, operation of all outdoor simulators is subject to weather conditions and seasonal maintenance. Also, some of the simulators have minimum height requirements that you'll find posted at the entrance to each simulator.
